

Privacy Policy

UpLAN is committed to protecting your privacy. This privacy statement explains data collection and use practices of Up-LAN.NET site (the "Site") hosted for UpLAN INC. By accessing the Site, you are consenting to the information collection and use practices described in this privacy statement.

Collecting Your Personal Information

We will ask you when we need information that personally identifies you or allows us to contact you. The only information collected is that you provide during sign up.

Use of Your Personal Information

The personal information collected on this Site will be used to operate the Site and to provide the service(s) or carry out the transaction(s) you have requested or authorized.

We may use your personal information to provide you with important information about the service that you are using. Additionally, with your permission, we may send you information about other UpLAN products and services.

We currently do not share information with UpLAN partners so they may send you information about their products and services.

UpLAN occasionally hires other companies to provide limited services on our behalf, such as Web site hosting, web development, phone service, telecom related services, and sending information about our services, special offers, and other new services. We will only provide those companies the personal information they need to deliver the service. They are required to maintain the confidentiality of the information and are prohibited from using that information for any other purpose.

UpLAN may disclose personal information if required to do so by law or in the good faith belief that such action is necessary to (a) conform to the edicts of the law or comply with legal process served on UpLAN or the Site; (b) protect and defend the rights or property of UpLAN and our partners; or (c) act in urgent circumstances to protect the personal safety of UpLAN employees or agents, users of UpLAN products or services, or members of the public.

Personal information collected on the Site may be stored and processed in the United States or any other country in which UpLAN or its affiliates, subsidiaries or agents maintain facilities, and by using the Site, you consent to any such transfer of information outside of your country.

Control of Your Personal Information

Except as otherwise described in this statement, personal information you provide on the Site will not be shared outside of UpLAN.

Access to Your Personal Information

Customer contact and computer information is collected during registration and is only accessible by customer service, technicians, and management staff required to service your account.

Security of Your Personal Information

UpLAN is committed to protecting the security of your personal information. We use a variety of security technologies and procedures to help protect your personal information from unauthorized access, use, or disclosure. For example, we store the personal information you provide on computer servers with limited access that are located in controlled facilities. Additionally, when we transmit sensitive personal information (such as a credit card number) over the Internet, we protect it through the use of encryption, such as the Secure Socket Layer (SSL) protocol.

Cookies

We do not currently use cookies at this time.

Changes to This Privacy Statement

We may occasionally update this privacy statement. When we do, we will also revise the “last updated” date at the top of the privacy statement. For material changes to this privacy statement, we will notify you either by placing a prominent notice on the home page of our web site or by directly sending you a notification. We encourage you to periodically review this privacy statement to stay informed about how we are helping to protect the personal information we collect. Your continued use of the service constitutes your agreement to this privacy statement and any updates.
